

## Check-in online

**Online check-in is now available for all departures from Ireland.**

The fastest way to board your Continental Airlines flight is at [continental.com](http://continental.com). Even with bags to check, Continental passengers departing from Dublin and Shannon can now enjoy this facility to manage their booking. At [continental.com](http://continental.com) passengers can check-in for their flight and print a boarding pass from the comfort of their own home or office. Online check-in can commence 24 hours prior to departure, and up to an hour before the scheduled departure time.

### ▶ Check-in at [continental.com](http://continental.com) and you can...

- Travel on an eTicket
- Check-in for your flight between 24 hours and 60 minutes before your scheduled departure.
- Review your reservation and itinerary online.
- Select your seat.
- Print your boarding pass or receive it by fax.
- Drop your bags at the airport at the 'continental.com bag drop' at least 60 minutes before departure time.
- Once checked-in online, passengers travelling with no baggage can go directly to the gate via the security area.

### ▶ Online check-in eligibility

You can check-in online as long as...

- The first flight in your itinerary is operated by Continental Airlines.
- Your itinerary contains a maximum of four flight segments.
- You are travelling with less than 11 persons in your party.

If you have certain special service requests or are travelling on a paper ticket, you must see a Continental representative at the airport.
